

ELEPHANT SANCTUARY PREMIUM FULL DAY : IN THE FOOTSTEP OF GIANTS

JOIN TOUR

ITINERARY

FULL DAY 09:30 – 17:00

During this interactive program you will spend many up-close moments with our rescued elephants, gain in-depth knowledge about their sophisticated means of communication, and learn about their natural habitat and the important role they play as a keystone species in our ecosystems.

The program includes private round trip transfer as well as a light breakfast, lunch and cold drinks and refreshments throughout the day.

Elephants love to swim, cool off and splash in the water. Observe the elephants as they enjoy their newfound freedom, play, socialize with each other and bathe freely.
