**ITINERARY**

**MORNING 09:30 – 13:00 OR AFTERNOON 13:30 – 17:00**

Phuket's first ethical sanctuary where elephants roam and bathe freely!

Our half day program is **an eye-opening and inspiring experience**. Following a scenic drive along a local village you will arrive at our 30-acre sanctuary, dotted with natural ponds, open fields and tropical hillsides.

Your visit starts with an educational video to prepare you for your encounter with the elephants, and to help you understand why they need to be protected. **Later, venture into the jungle to locate the elephants, and to observe them forage and bathe freely while our tour guide gives you a detailed background of each elephant.**

You will have **rare opportunity to get up close with the elephants and to capture some incredible photographs while feeding them their daily baskets of bananas, watermelons and cucumbers**. At the end of the program, a delicious vegetarian Thai meal awaits at the lounge.
